

# CRANBURY CENTER FOR STEAM, INC.

A Non-Profit Organization focused on STEAM Student Enrichment

Cranbury Center For STEAM is offering virtual after school online classes. These classes are taught by teachers and instructors employed by Cranbury School PTO and Little Owl Enrichment. The classes are designed for children that can operate a computer and advanced software on their own. Some classes such as Minecraftclass and TinkerCad software are advanced curriculum and require the students to function independently. Since this is a program offered separate from the school, we do not have extra help or funding to provide one-to-one support for a child. Please assist us withkeeping our insurance cost down and sign this waiver required by our insurance provider.
